Feed a First Responder! Big Apple Bagels®, El Dorado Hills

DEERFIELD, Ill., March 7, 2017- Big Apple Bagels®, located at 2209 Francisco Drive in El Dorado Hills would like to introduce their new program, "Feed a First Responder", to the community. In an effort to give back to the community that continues to support their small business, they have developed a new way for their customers to support local Police, Firefighters, and EMS.

On your next visit to their shop, they invite you to "pay it forward" for local First Responders. Customers will have the opportunity to purchase a drink, bagel with cream cheese, or sandwich for First Responders. When any police, firefighter, or EMS visits the store they will have the opportunity to enjoy a drink or meal free of charge, due to the generosity of the wonderful community.

Stacy and Scott Walters, owners and operators of the Big Apple Bagels in El Dorado Hills, said "We know that our community struggles with finding a way to appropriately show our deep gratitude for everything that First Responders do to keep us safe. At Big Apple Bagels, we share in that struggle and hope that in this small way, our Thank You will be felt."
