WorkAbility I- Eldorado Union High School District

The district is beginning its 2016/2017 school year. EDUHSD appreciates the opportunity to partner with our local businesses in placing special education students for employment. The valuable skills and training learned by our students is a life changing experience for both students and our community.

If you have questions please contact me:

Kelly Truax - Workability I coordinator (530)622-3634 X1141 or ktruax@eduhsd.net
