EMPLOYMENT AT A GLANCE...

There were 21,306 residents employed in Q3 2018, up 106 jobs or .5% from the previous quarter.

Q3 2018 is currently the highest employment level since the base year of Q1 2008.

Over the past two years, employment has increased six out of eight quarters.

There are 1,564 more residents currently employed compared to the significant jump in Q1 2010, an increase of 7.9%.

3RD QUARTER TREND

Local employment is currently at its highest level since the base year in Q1 2008. In Q3 2018 there were 21,306 El Dorado Hills residents employed, up 106 jobs from the previous quarter.

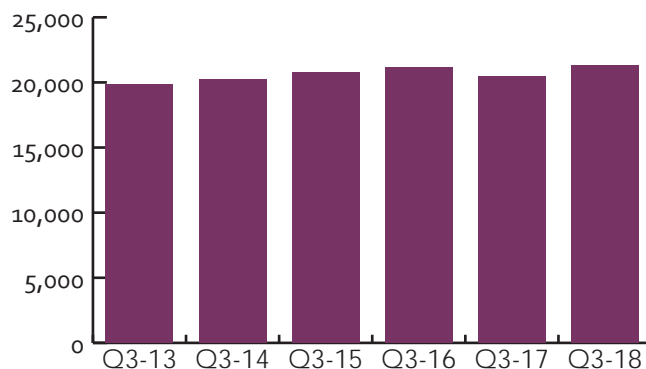

In just the past two years employment has continued a strong performance, increasing six out of the past eight quarters. Employment is now up 3.9% compared to a year ago and up .8% when compared to two years ago.

Local business leaders are expecting employment to continue a strong performance. The January 2019 El Dorado Hills Business Confidence Survey shows 26% of local leaders are expecting to increase their employment over the next year, while 69% expect their employment levels to remain the same.

The latest survey results can be found at www.eldoradohillschamber.org.
