## EMPLOYMENT AT A GLANCE...

There were 22,415 residents employed in Q1 2019, an increase of 585 residents employed from the previous quarter.

Employment is up 5.8% compared to a year ago with 1,219 more residents currently employed.

There are 2,030 more residents currently employed compared to the significant jump in Q1 10, an increase of 10.3%.

This is currently the highest employment level since the base year of Q1 2008.

## 1ST QUARTER TREND

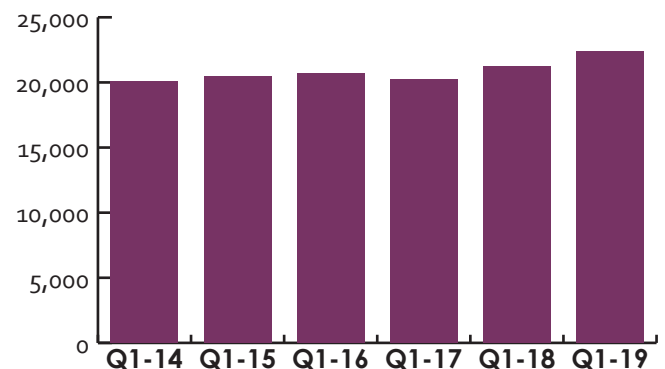

There are now 22,415 residents currently employed, the highest local employment level since 2008.

Q1 19 was the eighth consecutive quarterly increase for local employment, continuing a strong performance over the past two years. Compared to two years ago, there are nearly 2,200 more residents currently working, an increase of 10.8%.

Local business leaders are expecting employment levels to stay strong. The July El Dorado Hills Business Confidence Survey shows 27% of leaders expect to increase their employment levels over the next 12 months, while 64% expect levels to remain the same.
