

What's Missing in EDH?

1. **Trader Joe's – 27/157 comments (17%).** This was part of an overall trend of EDH residents wanting specific stores or restaurants in EDH that they currently have to go to Folsom for.

Examples include:

- Dutch Bros
- Chick Fil A
- The Habit
- Noah's Bagels

However, a few responses indicated that EDH is already crowded and has enough traffic, and we should prioritize nature and open spaces while continuing to go to Folsom for stores, etc.

2. **Roller Skating Rink – 10/157 comments (6%).** Many expressed a desire to have more activities for kids, teenagers, and families in EDH. Other suggestions included:

- Bowling
- Arcade
- Mini Golf/Golf Course
- More concert venues
- Ice Skating
- Aquatic Center
- Kids' Bounce House for Birthday Parties

3. **Small Business Support** - Although many requests for chain restaurants were made, a few responses advocated for local businesses instead of more chain restaurants. Overall, there was strong support for more family-owned restaurants. Examples included:

- 4 requests to bring Purple Place back or something similar
- 2 mentions to open a spot similar to Dominick's (in Granite Bay) in EDH
- 3 comments desiring more Asian food options (Vietnamese, Filipino, Korean)

4. **Safety** - A few mentions of road safety were made. Namely,

- The light at town center that is constantly run by those turning into Town Center.
- The single lane to stay in EDH rather than getting on the freeway.
- The left turn on the new Frontage Road at Saratoga that always blocks the left lane to stay in EDH.
- The narrow 2 lane stretch of the Blvd. between St Andrews & Francisco needs to be widened.
- Proper driving etiquette.

Two comments also alluded to EDH having a homelessness issue and needing a police force. However, since the question was "What is EDH missing?", responses garnered were mostly about new places for EDH residents to go to.
